Academic Event Update

Visit at Bombay Stock Exchange (BSE), Mumbai

BSE, the premiere stock exchange in India has an appreciating inclination towards academics. Bombay Stock Exchange Institute Limited runs several academic programmes approved by the Government of India towards enhancing the knowledge of Stock market and creating better professionals for the Industry. BSE also organizes campus visits for the students that eventually create curiosity in students to further understand the world of stock

market. SSR IMR students had a good fortune of visiting BSE and gaining insight of the Stock Market. The Financial Management Specialization students under the Leadership of Finance Faculty Miss. Punitaa Chadha and accompanying faculty Mr. Nainesh Mutha visited the Stock Exchange. The visit was organized on 18th Feb. 2014 with co-ordinal support of **Mr. Roy Aranha- Training Coordinator at BSE Institute Ltd.**

The visit gave students not only the exposure to one of the premiere centre of Financial Market but a training session of One hour highlighting various training aspects and approaches like Top-Down Approach while selecting a share to buy. The place had the professional aura with a blend of warmness. Amongst the whole lot of learning that students gathered during the visit, the primary take away included the *enhancement in overall knowledge of Stock market, Benefits of Investing in the Market and essentially exposure to the technical team at BSE.* The association of our Institute doesn't end here with the visit instead it was the start of the wonderful academic gain. We got the opportunity to witness a competitive event "**Stock Torero – Tame the Bull**" held at BSE on March 20th & 21st, 2014.

Dr. A.G. Jayakumari (Director IMR) & Miss. Punitaa Chadha at BSE, Mumbai

The competition on 20th March 2014 was closest to the real financial market and allowed the students to check on their trading tactics. Miss. Swati Vijaykumar and Miss. Jyoti Kothari of MBA 2nd Year took the initiative and represented the Institute in the event. A total of **48 Institutions across the Nation** had registered for the competition and the participants during the qualifying round had the toughest route to proceed for the next level. Top 30 teams were

shortlisted for the main round of trading event on 20th March. IMR's team was in the list of Top 30 and their effort & potential eventually took them to the Top 5 & they **stood at 4th Position** surpassing the premiere Education Institutions like IIMs, MIT, Welingkar's, XLRI etc.

The Panel discussion with the theme **“Budget, Election, Market sentiments: Decoding the Trajectory of the Indian Financial Markets”** was held on 21st March 2014 amidst the presence of giants from the Industry and huge Media coverage. **Dr. Gangadhar Darbha** – ED of Nomura Securities was the guest of honour for event and other Panel members included **Mr. Nilesh Shah** – M&D & CEO, Axis Capital, **Mr. Navneet Munot**- CIO, SBI Mutual Fund, **Mr. Ramesh Damani**, Member BSE and **Mr. Sunil Singhania** – CIO, Reliance Mutual Fund.
